About your Turkish coffee - allow 30-45 seconds to let the grounds settle and stop drinking when you reach the sediments at the bottom. Then sit back, relax and enjoy the sensation!

Did you know:

- Lloyds of London began as Edward Lloyd's Coffeehouse
- The heavy tea tax imposed on the colonies in 1773, which caused the "Boston Tea Party," resulted in America switching from tea to coffee
- Drinking coffee was an expression of freedom
- Turks began to roast and grind the coffee bean in the 14th Century, and some 300 years later, in the 1600's, the country had become the chief distributor of coffee, with markets established around the world
- In the 16th century, Turkish women could divorce their husbands if the man failed to keep his family's pot filled with coffee
